- We disclose all information about necessary expenses. It is really everything!

- We also charge only the actual costs. We do not add on fees.

- Our commission is at most 2% of the machine price. (or less)

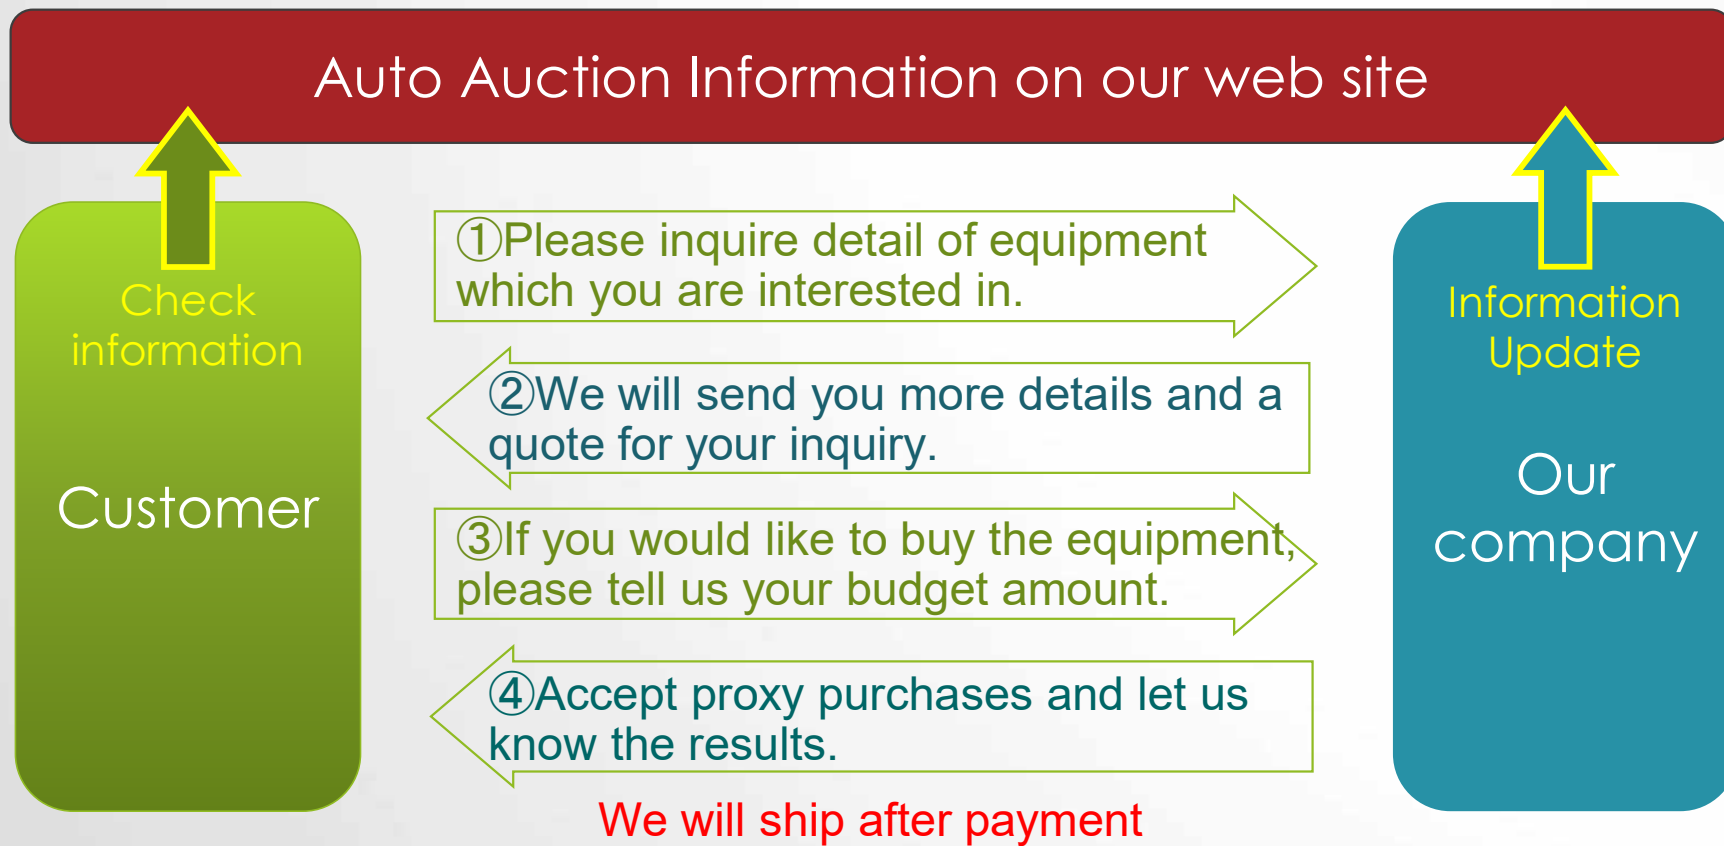

No need worrying about unfair prices.

Our Staff and partners

- Our President is second from right in the picture.
- He runs also another automobile parts company.
- We do business with people from many countries as partners, including Russians and Malaysians. And it is growing every year!
